The diagram is a large circle divided into four equal quadrants by a vertical and a horizontal line. In the center of the large circle is a smaller circle. The word "or" is written in the center of this smaller circle, with a horizontal line above it and another horizontal line below it. Each of the four quadrants of the large circle contains a text prompt. Starting from the top and moving clockwise, the prompts are: "Write a word problem", "Show the fact using pictures, diagrams or number line", "Write the family of facts", and "If you know this fact what other facts do you know".

Write a word problem

Show the fact using pictures, diagrams or number line

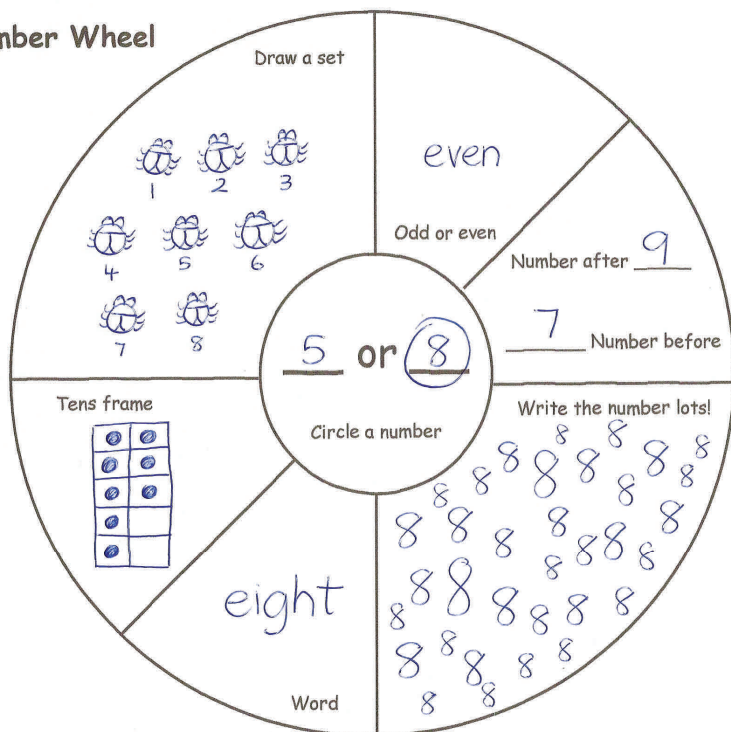

Write the family of facts

If you know this fact what other facts do you know

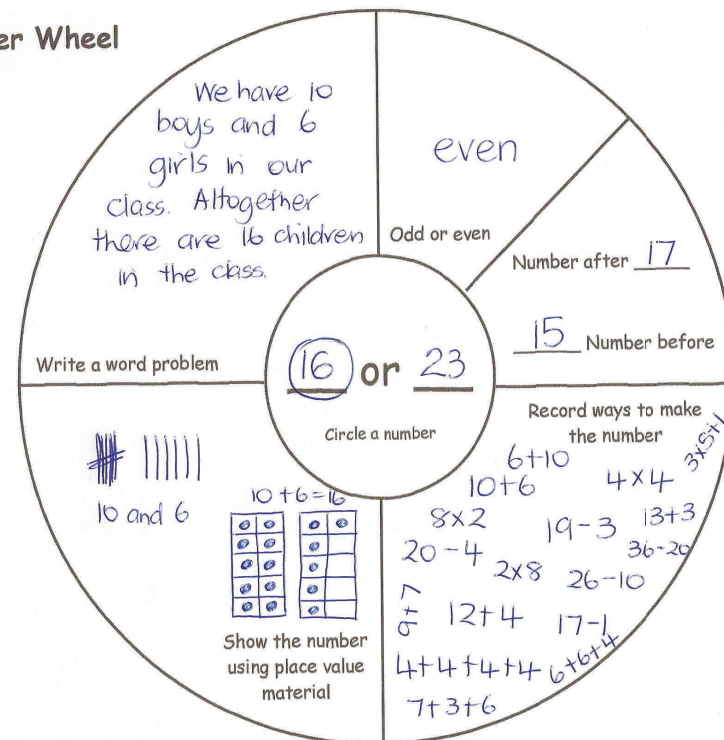

or

Circle a fact
